

A MIND IS A TERRIBLE THING

Emil

In a manner reminiscent of the early 20th century, when ailments such as depression were often labeled as afflictions of the affluent, it is important to recognize that only those with substantial means could afford the leisure to contemplate their emotional distress.

The working class, in stark contrast, was compelled to engage in daily labor to secure their basic necessities, leaving

GIOVANNI METRO STOP GALLERY
WWWG PRODUCTIONS LTD. SINGAPORE - 2025

them little opportunity to reflect
on their mental health.

This societal dynamic
underscores the disparity in how
mental health issues were
perceived and addressed,
highlighting the intersection of
socioeconomic status and
psychological well-being.

Consider the implications of
being a genuine follower of Mr.
Darwin, particularly if you have
yet to grasp the profound

narratives encapsulated in the ritualistic expressions of song and dance found within the cultural interpretations of the "Lion King" mythology.

This mythology, as modern historians suggest, can be traced back to the period immediately following the great flood, a cataclysmic event that purportedly eradicated evidence of extensive, illicit global experimentation in gain-of - function DNA research.

It is essential to recognize that the historical trajectory of CIS Humans appears to be cyclical, echoing the teachings of the "Lion King," which emphasizes the concept of the "Circle of Life."

This cyclical nature of existence invites a deeper reflection on the interconnectedness of life and the recurring themes that shape our understanding of human history.

In contemporary discourse, it is

GIOVANNI METRO STOP GALLERY
WWWG PRODUCTIONS LTD. SINGAPORE - 2025

GIOVANNI METRO STOP GALLERY
WWWG PRODUCTIONS LTD. SINGAPORE - 2025

common for our current cohort
of scientists and historians to
adopt a retrospective stance
akin to that of Monday Morning
Quarterbacks, readily
pinpointing errors and
shortcomings in past endeavors.

However, it is my somber
conviction that they often
overlook the broader
implications of these historical
narratives, much like the
members of the now-dissolved
Jesuits of Truth, who possessed

GIOVANNI METRO STOP GALLERY

GIOVANNI METRO STOP GALLERY
WWWG PRODUCTIONS LTD. SINGAPORE - 2025

a profound understanding of the
overarching themes at play.

The unfortunate reality is that,
despite over a million years of
intellectual and technological
progress, we find ourselves
traversing a cyclical path of free
thought, ultimately returning to
our original starting point.

This regression is particularly
disheartening when one
observes the prevailing attitudes
among today's elite scholars and
educators, who seem to echo

GIOVANNI METRO STOP GALLERY

GIOVANNI METRO STOP GALLERY
WWWG PRODUCTIONS LTD. SINGAPORE - 2025

the sentiments of my late brother John, who passionately asserted that "*A mind is a terrible thing*" amongst the working classes.

Reflecting on the past, it becomes apparent that extending the lifespan of their original creations would have afforded individuals the opportunity to acquire greater knowledge and to redirect their attention from merely fulfilling daily survival needs to

GIOVANNI METRO STOP GALLERY

contemplating their existence in
relation to that of their
contracted overlords.

This shift in focus would have
allowed for a deeper
introspection regarding their
circumstances and the broader
implications of their societal
roles.

Leisure time fosters
opportunities for social
interaction, romantic
relationships, and
contemplation regarding the

historical injustices and
enslavement endured by
individuals and their ancestors
at the hands of a dominant
ruling class.

This ruling elite, along with their
appointed supervisors, has
typically been composed of the
most intellectually gifted
individuals from the non-CIS
Human Times.

Such reflections during free time
can lead to a deeper
understanding of the systemic

inequalities that have persisted
through generations, prompting
discussions on how to deal with
the implications of these
injustices on contemporary
society.
